## **ABOUT MARCIA: Full of passion, high energy, knowledge**

Marcia speaks to and works with leaders to innovate their thinking:

- Pivot, adapt, and accelerate what they're doing, more rapidly than ever before,
- Achieve Bold results, never before imagined.

For 25+ years, she has passionately been speaking, consulting and guiding executive teams in Fortune 500/private corporations; education, the U.S. Navy; and non-profits to achieve exponential success. Mentored by Dr. W. Edwards Deming, she is nominated for the International Deming Prize; writes a leadership column for the Silicon Valley Business Journal & has taught MBA classes at six universities.

**When the status quo no longer works,  
the contrarian perspective reigns!**

## **WHO ENDORSES MARCIA**

"Marcia captures the essence of providing cutting edge leaders with applicable knowledge and immediate value. Those who seek a better way to create success across their enterprise by applying courage, understanding and purpose will find Marcia's messages of great value." - **VADM Kevin Green, U.S. Navy**

"Full of counterintuitive advice, Marcia's messages in *Pivot, Disrupt, Transform, How Leaders Beat the Odds and Survive*, will shake up your thinking about what it takes to be a leader." - **Daniel Pink, Author**

"*Pivot, Disrupt, Transform* is a refreshingly honest guide for leaders. Marcia Daszko will not just shake up some of your long-held beliefs about leadership—she will also inspire your thinking and move you to positive action. This book is a life changer for organizations everywhere." - **Ken Blanchard, CEO, Author**
